

WELCOME TO MoCA/NY!

Discover, explore, and connect with ceramics worldwide!

The Museum of Ceramic Art – New York is an innovative digital platform connecting the global ceramics community through our **Ceramic World Destinations map** and **Explore Editorial Page**—highlighting places, practices, and stories from around the world.

We're here to broaden your horizons and ignite your passion for ceramics. We invite you to explore our resources and discover exciting opportunities to get involved!

CONNECT WITH US

HOW TO GET INVOLVED:

- **Intern or volunteer with us!**
- **Write for our Explore Editorial Page. Share your dissertation or thesis research with an international ceramic community!**
- **Connect MoCA/NY with your campus's ceramic clubs/organizations**
- **Share how our resources have helped you!**

As students, you are the future of the ceramic art and cultural community. Let us know how we can help you on this path!

CERAMIC WORLD DESTINATIONS

TAKE A VIRTUAL TRIP AND DISCOVER THE WORLD OF CLAY WITH OUR INTERACTIVE MAP

With over four thousand destinations and growing, the map offers an alternative way to travel, opening new paths for discovery, opportunity, and inspiration.

The screenshot shows the MOCA Ceramic World Destinations website. At the top, the MOCA logo is on the left, and navigation links for HOME, CWD MAP, EXPLORE, ABOUT, CONNECT, and DONATE are on the right. Below the navigation is a search bar labeled 'WHERE TO?'. To the left of the map is a list of destinations with filters: ASPENDOS (CULTURAL HERITAGE SITE, ANTALYA, TURKEY), NODO USPALLATA (RESIDENCY, MENDOZA, ARGENTINA), RIDGELINE POTTERY (ARTIST, GALLERY, HOBART, TASMANIA, AUSTRALIA), CENTRE CÉRAMIQUE (ORGANIZATION, MAASTRICHT, NETHERLANDS), and MUSEUM OF APPLIED ART (MUSEUM, TASHKENT, UZBEKISTAN). The main map area shows a world map with numerous blue circular markers of varying sizes, each containing a number representing the count of destinations in that region. Buttons for 'SUBMIT A DESTINATION' and 'SUBMISSION CRITERIA' are visible at the top of the map area.

SHARE YOUR EXPERIENCE

We'd love to hear how the CWD Map has guided and enriched your ceramics journey! Email us: info@moca-ny.org

SUBMIT A DESTINATION

Participate in growing our CWD MAP by submitting your favorite ceramic destinations!

Explore Artist Residencies

Discover international residencies by browsing the map or filtering by country. Use the CWD Map to compare options based on location and proximity to museums and galleries.

Engage With Museums and Galleries

The CWD Map houses thousands of destinations, from major institutions to smaller, intimate gallery spaces. Discover new art from global artists that inspire and captivate you.

Learn About Cultural Heritage Sites

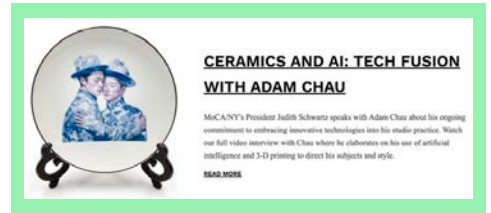

Connect with communities preserving ancient traditional techniques or explore cultural landmarks. Broaden your understanding of the rich world of ceramics.

EXPLORE

EXPLORE is MoCA/NY's editorial page where we reveal and highlight exciting international ceramic destinations through interviews, videos, and more!

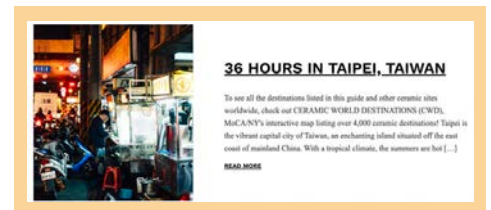

CLAY + TECH

Explore the integration of clay and technology. Discover how cutting-edge technologies like artificial intelligence and 3D printing are transforming the world of ceramic art.

72 HOURS

Follow MoCA/NY's expert contributors as they explore ceramic destinations around the world, uncovering the creative pulse of each city.

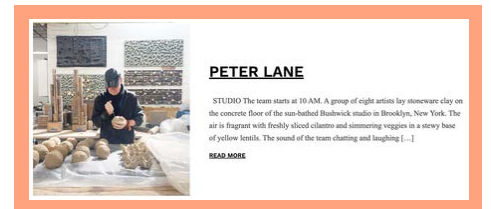

CULTURAL HERITAGE SITES

Discover the historical and cultural traditions of Cultural Heritage Sites and the communities that preserve their legacy, as detailed by scholars and academics.

IN THE STUDIO

Gain behind-the-scenes access to the studios of leading ceramic artists, and discover the practices, techniques, and innovations that shape their work.

EXHIBITIONS

Stay updated on gallery and museum exhibitions, with deeper insight through interviews, reviews, and conversations with curators, directors, and artists.

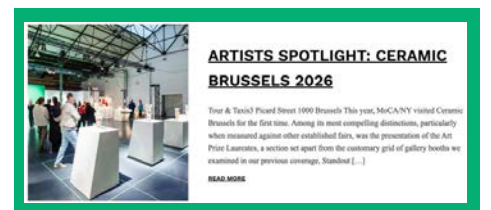

BOOK TALKS

Find your next great read through conversations with authors, scholars, and ceramicists, alongside reviews and interviews from diverse perspectives.

EVENTS

Explore fairs and events around the world, highlighting ceramic galleries and artists shaping the contemporary art field.
